

Getting Credit – Credit Registry Questionnaire

www.doingbusiness.org

Dear Contributor,

We would like to thank you for your participation in the *Doing Business* project. Your expertise in the field of credit reporting in «Survey_Economy» is essential to the success of the *Doing Business* report, one of the flagship publications of the World Bank Group that benchmarks business regulations in 190 economies worldwide. The credit information index measures the coverage, scope and accessibility of credit information available through credit bureaus and registries, and forms part of the Getting Credit indicator set—one of the 11 indicator sets published by the *Doing Business* report.

The report attracts much attention around the world. The latest edition, *Doing Business 2018: Reforming to Create Jobs*, was the 15th in a series of annual reports measuring the regulations that enhance business activity and those that constrain it. It received over 10,000 media citations within just a week of its publication on October 31, 2017. Within that same period the *Doing Business* website was viewed over a million times and the report was downloaded over 15,000 times. One hundred and nineteen economies implemented a total of 264 reforms easing the process of doing business. Europe and Central Asia continues to be the region with the highest share of economies reforming (79%) followed by South Asia and Sub-Saharan Africa.

Governments worldwide read the report with interest every year, and your contribution makes it possible for the *Doing Business* project to disseminate the best practices that continue to inspire their regulatory reform efforts. In 2016/17, 24 economies made changes that improved their credit reporting systems.

We are honored to be able to count on your expertise for *Doing Business 2019*. Please do the following in completing the questionnaire:

- Describe in detail any reform that has affected your credit registry since June 1, 2017.
- **All questions marked by an asterisk (*) are required.**
- Be sure to update your name and address if necessary, so that we can mail you a complimentary copy of the report.
- Kindly return the questionnaire to Edgar Chavez (echavez@worldbank.org) and Julie Ryan (jryan@worldbank.org).

We thank you again for your invaluable contribution to the work of the World Bank Group.

Sincerely,

Edgar Chavez
